Under the Tree

What is "Under the Tree"

The aim of the Under the Tree fundraiser is to bring awareness every year to three main areas in which the International Development Department works – children's homes, schools and agriculture projects.

Ministry Units can work together as a congregation, a women's ministry group, a youth group, etc. Individuals can then purchase specific items that will help to: Fill a Dorm, Fill a School and Build a Farm.

Why Donate?

The Under the Tree "Fill a Dorm" fundraiser will support children living in the Bali Girl's Home and Bali Boy's Home in Indonesia. Many children lack access to basic needs such as proper nutrition, education and social and spiritual guidance.

The Fill a Dorm campaign aims to help children have access to education, food and so much more.
